MEMORANDUM FOR: Director of Central Intelligence
VIA : Deputy Director of Central Intelligence
FROM : Director, Office of External Affairs

This is to advise you that on Tuesday the ¹²~~13~~th or Wednesday the ¹³~~14~~th, Chief Justice Burger will swear in the members of the newly reinstituted President's Foreign Intelligence Advisory Board (PFIAB). We are told that the President will be in attendance and in all likelihood will say a few words. This, to my mind, would be a stellar opportunity for the President to plug Identities and FOIA, underscoring the need for Congress to act expeditiously to pass these measures to further strengthen the Intelligence Community. You may wish to consider contacting the President directly to suggest this.
